MEMO ENDORSED

Re: April Knight v. Comm'r of Soc. Sec.
20 Civ. 7512 (BCM)

Dear Judge Moses:

Pursuant to the schedule in this Social Security case, the government's brief is due December 6, 2021. We write respectfully to request, with the consent of plaintiff's counsel, that the time to file the brief be extended to January 18, 2022, with plaintiff's reply, if any, due February 8, 2022. In making this request we recognize that the Court's September 15, 2021 order granting plaintiff's request to adjourn the briefing schedule stated that no further extensions would be granted. However, the extraordinary number of briefs due on the calendar of the undersigned, including 21 briefs due in the period between December 6, 2021, and January 18, 2022, necessitate this adjournment. The government has not previously requested an adjournment of the briefing schedule in this case, but the Court granted one extension of time to file the record. We appreciate the Court's consideration of this request.

Given that this is the Government's first request for an extension, the motion is GRANTED. Defendant's cross-motion and brief is due **January 18, 2022**. Plaintiff's optional reply is due **February 8, 2022**. No further extensions will be granted to any party's briefing deadlines. SO ORDERED.
